

## MIRROR-10

The Mirror-10 Tricolour LED 580mm long tubular wall light incorporates a ridged aluminum body and tubular opal-frost polycarbonate diffuser, complete with chrome adjustable knuckles. A new modern design, ideal for illuminating mirrors, pictures or any wall lighting application. This is a Tricolour wall light which means you have the option of changing the colour temperature between 3000k, 4000k & 5700K with a small dip switch on the side end cap.
