

ZEKE-9-ROUND

The surface mounted ZEKE-9-Round features a slim-line, cast-aluminium body with dual cable glands for easy installation. The aluminium trim features a special chromate process before a polyester powder coated finish is applied, for extended wear in harsh external environments. With an IP65 rating, the ZEKE-9-Round features amazing downward illumination with minimal power consumption; A total of 9W of high intensity illumination. Particularly useful for outside entertaining areas, external pathways or any area in which recessed mounting is not an option. Now available in 12V DC models, to allow for outdoor applications such as planter boxes and front wall installations, where low voltage wiring has been used.
